

## REQUEST FOR MEMBER INFORMATION

An important element of our *Member Outreach Initiative* is to learn more about our members. We want to know what interests you, so that we can look for ways to engage you in the organization in a way that is meaningful to you. We also want to foster future leadership potential within the organization by encouraging you to participate more fully in activities that leverage your interests, your skills, and the needs of the organization.

**Member Profile Format.** The following Member Profile Format is the suggested outline for your Profile. *Feel free to skip any category that is not relevant or that you prefer not to answer.*

**E-mail Your Profile.** Please e-mail your profile to Nina Antze ([antze@pcquilt.com](mailto:antze@pcquilt.com)). We would like to receive your profile by March 1, 2012.
